CANDIDATE FOR WARD I

Calvin Washington for Ward 1 Council *Town of Forest Heights*

My passion for public service and my deep dedication to the Town of Forest Heights have led me to the decision to run for re-election. I believe in service to the community. Our Town needs visionary leadership and fresh perspectives. I have built my professional career in Law Enforcement as a Police Officer for the last 19 years, and a proud Veteran after serving 8 years in the United States Navy. Prior to taking office my first term, I promised to focus on three major areas:

1. Continued public safety for Town residents and business owners.
2. Increasing economic development in the commercial area.
3. Preserving the Town's history for the next generation.

During my first term I was elected as Council President and was appointed by the Mayor as the Public Safety Liaison. I worked closely with our Police Department and Chief to ensure increased patrols in the residential and commercial areas of Forest Heights were a top priority. During my first term I voted for additional officers and equipment to ensure our public safety professionals were prepared for annexation and the future growth of our community. I am currently working with our Mayor and fellow Council members to grow our economic development and continue to preserve our town's precious history for the next generation. I promised to be an inclusive leader and to always remember the critical role my Ward 1 residents play in the success of our town. Therefore, I ask for your support once again to represent you and continue to echo your concerns and let your voices be heard. Together we will take actionable steps to address them.

And Remember, "You have a voice."

VOTE for WASHINGTON on March 11, 2020

I look forward to serving you again!

CANDIDATE FOR WARD II

VOTE!!

JONATHON KENNEDY II FOR WARD II COUNCILMAN

Greeting, once again, to my family, friends and neighbors. My name is **Jonathon Kennedy II** and I am seeking reelection as your **Councilmember for Ward II**. Mark your calendars for **Wednesday March 11, 2020**, and exercise our God given and hard-fought right to cast our voice and vote. Elections are not something to be taken lightly just as running for an elected position should not be taken with a grain of salt. It has been an honor and a privilege to have served the Town of Forest Heights as a Councilmember over the last **10 years** and it will be an honor and privilege to continue to do so when reelected.

I would like to extend a heartfelt welcome to everyone who has recently made Forest Heights your new home. Having lived here 40+ years, I have seen a lot of changes over the years. Change is inevitable, and we must strive to make sure that the best decisions for the Town and our neighbors are made. The best way to lead is by example. During my tenure as your council person, I have held and helped in every aspect of our local government, from holding the office as the acting mayor to even changing a light switch, switching out a toilet, and helping to clean up our town. Council President, Police and Public Works liaison are others positions that I have proudly served as, as well as being on a variety of different committees. A lot of people may remember me tirelessly handing out snow cones, popcorn, or cotton candy during our annual Forest Heights Day celebration. Countless hours were selfishly spent helping with events and activities for all age ranges. (Haunted House, holiday functions, etc.) I have absolutely no problems with helping when and where I am needed.

Although we are voted in office by people who reside in the Ward that we are running for, I believe that all the elected councilmembers should be approachable by any resident of our great town. I am not afraid to WORK and will continue to help in ANY way that I can when reelected. I invite every person in Town to help, where they can, to make Forest Heights an even better community. Step outside of your comfort zone. You never know what heights you can soar to unless you try.

One vote DOES matter. EVERY vote counts. Vote **JONATHON KENNEDY II** on **Wednesday, March 11, 2020** for **WARD II COUNCILMAN**.
