## UNITED AS ONE – TOWN OF FOREST HEIGHTS

Given the recent events that have occurred over the last week and a half surrounding the untimely death of George Floyd, my thoughts and prayers go out to his family as well as the other victims around the country that have succumb to police brutality.

As the Chief of Police of the Forest Heights Police Department and a member of the law-enforcement community, I stand against police inhumaneness. Our country is overwhelmingly frustrated and tired of racial and ethnic disparities within the criminal justice system. There is work to be done and it will be a long road ahead of us. We have to bridge the gap of communication, relationships and gain back the trust of the community. Police officers must no longer be afraid to hold one another responsible for our actions and wrongdoings.

As law enforcement officials, we cannot continue to turn a blind eye as to what has taken place and continues to take place across the country. Far too often, police officers and police departments are not being held accountable. However, I will continue to ensure that my officers are being held accountable, they are properly trained, equipped and are able to communicate with those individuals that they come into contact with. No matter your race, creed or color everyone is a part of the human race and deserves to be treated equally.

The Forest Heights Police Department upholds the core values of Fortitude, Honor, and Devotion. I implore you to stand with the Forest Heights Police Department as we stand with you, the community and the country.

Anthony N. Rease

Chief of Police
