

Message from the Mayor

Black History Month was officially recognized in 1976. Today, Black History Month is a time to honor the contributions and legacy of prominent Black leaders throughout U. S. history. Black history month began as a "Negro History Week" in 1926. Scholar and historian Carter G. Woodson chose the second week in February, as it contained the birthdays of Frederick Douglas and Abraham Lincoln, to bring awareness to African Americans' role in shaping U. S. history.

This annual celebration is a time of pride and that means to me honoring prominent figures of our past. This year I will choose to encourage, promote and reveal the black men and women who are becoming new examples of black excellence.

A small quote from children's author and diversity advocate *Crystal Swain-Bates*

"Black History Month is so important to me because it's a time dedicated to shining a light on black culture and achievements, which are too often ignored during the rest of the year. Some people turn their noses up at Black History Month, but until our society acknowledges the contributions of all cultures, this focused time to highlight our achievements and inspire our youth is essential."

Enjoy and Embrace this Black History Month "2022"!

SNOW PLOWING

Town Ordinance Section 15.3.2: Except as necessary to avoid conflict with other traffic or in compliance with the law or the directions of a police officer or a traffic control device, no person shall stop, stand, or park any vehicle as stated below in any of the following places within the Town: on the side of any street opposite the streetlight poles during a snow-created state of emergency as declared by Prince George's County pursuant to an effective snow emergency plan, except for streets that only have street light parking. Vehicles so parked may be impounded pursuant to Section 15.

When snow is in the forecast, residents are advised to park their vehicles in their driveways so snowplows can clear the streets from curb-to-curb without any interference. Vehicles parked on the street interfere with the snowplow's ability to plow properly and may result in vehicles getting buried in the snow. It is not the town's responsibility to assist in unburying vehicles or plowing residential driveways.

Exercise Group

On Tuesdays and Thursdays at 12:00 noon, the Forest Heights Senior Exercise Class meets in the Municipal Building at 5508 Arapahoe Drive. Forest Heights residents may participate for free, and it's a fantastic way to remain in shape. If you want to keep connected and active, come by!

FOREST HEIGHTS COMMUNITY GARDEN

The Town of Forest Heights has one location available for community gardening at 135 North Huron Dr.

The gardens have plots available for individuals, families, and community groups, which are ideal for those residents who lack their own garden space.

MENSAJE DEL ALCALDE

El Mes de la Historia Afroamericana fue reconocido oficialmente en 1976. Hoy, el Mes de la Historia Afroamericana es un momento para honrar las contribuciones y el legado de destacados líderes negros a lo largo de la historia de los Estados Unidos. El mes de la historia negra comenzó como una "Semana de la historia negra" en 1926. El erudito e historiador Carter G. Woodson eligió la segunda semana de febrero, ya que contenía los cumpleaños de Frederick Douglas y Abraham Lincoln, para concienciar sobre el papel de los afroamericanos en la formación Historia de estados unidos.

Esta celebración anual es un momento de orgullo y eso significa para mí honrar a figuras destacadas de nuestro pasado. Este año elegiré alentar, promover y revelar a los hombres y mujeres negros que se están convirtiendo en nuevos ejemplos de excelencia negra. Una pequeña cita de la autora de libros infantiles y defensora de la diversidad Crystal Swain-Bates "Black History Month is so important to me because it's a time dedicated to shining a light on black culture and achievements, which are too often ignored during the rest of the year. Some people turn their noses up at Black History Month, but until our society acknowledges the contributions of all cultures, this focused time to highlight our achievements and inspire our youth is essential."

¡Disfruta y abraza este Mes de la Historia Afroamericana "2022"!
